We even share some of the same cousins together. I will keep all of you in my thoughts and prayers and I know your mom's reunion with all her loved ones in Heaven is something awesome!!! “ So many memories of my fantastic sister as children and adults. We got together almost every week with sister Cindy and sister-in-law Kathy to finish quilts started by our Mother and making new ones to give out to family members. Our brother Carroll would stop by to visit. We are very blessed to be a close family and Kathy will be a very large void in our lives. Rest in peace my dear Sis. Love you forever!
