“ *Scott and Kellie; I was unable to attend services today because of my condition. I value the friendship of your Dad and Mom more than anyone else. From school to Anchorage back to Iowa. Keith and I hunted together in Alaska. We were able to move into their apartment when they moved on base. Long about the time Scott was born. After discharge and back home Linda and I seen each other at Walmart. That was when I met (Kellie ). After that we and other friends spent Christmas with them. They always had the house decorated so very nice. They will always be in my heart and prayers. I will miss them greatly. Gary Bleything*

“ *Kellie and Scott,*

*Your dad loved you both very much. I remember when you used to look up into his eyes, Kellie; your eyes sparkled like an angel. With my deepest sympathy, love and prayers.*

“ Scott and Kellie,  
You sure have our sympathy. We used to hear from them every Christmas after they moved from Broadway St. They were sweet people and good friends. We felt so bad when we heard of your mom's passing. I can't imagine what my kids would think at their age loosing both parent.  
We will be thinking of you.

“ Scott & Kellie,

*I'm so very sorry to hear of your dad's passing. I just happened to be flipping through the local paper and the name caught my attention. Then I saw the picture and the memories came flooding back of days when we were little kids in Thomasboro. I had not heard that your mom had passed as well. You both, as well as your family's are in my thoughts and prayers.*

*Love,

“ *Keith and Linda were great friends, I worked with Keith at Chanute AFB and we rode cycles together. He was like the big brother I never had. I had always hoped to drive out and visit but the telephone had to suffice. I called him near his birthday and Christmas. He will be missed a LOT.*
