“ *Kenny was always prompt and fair when I needed him for construction projects. Before ending any phone conversation Kenny always ask about how the hunting was going. He loved his turkey hunting:)*

“ *Played baseball with Kenny in grade school. Played all over Albia, quite a bit at Adlers lot. Good memories. I wondered where Ken went when he left Albia. I'm glad to hear he ran his own business, he always was pretty independent. Sorry to hear of his passing at such a young age. God speed and God bless.....*
