“ *The memories are numerous....from parties out in the field, adventures in the Cobra, the relationship of being the first female in a tight group of friends, the road trips in the semi, the nights in Elaine's or sitting in the park, to carrying one of his best friends to his grave and holding to his word with Donnie to be there for me and the kids for the last 30 years. God bless you and keep you close, my friend. Give Donnie a big hug for me!*
