“ *Larry spent many hours as a young man at Ben's DX in Bloomfield. He worked at Lake Wapello at that time. The last time we saw him was several years ago at the Hiway Restaurant in Albia. He and Ben are both gone now. We always had a good time and lots of laughs when he was around. My family is sorry for your loss.*

“ Barb, Jennifer & Scott - where ever you may be at this time, we send our condolences to you. Larry Patty & the kids were our neighbors here in Drakesville for many years. Shared everything neighbors share. Larry always had a "mint condition" looking yard and everything else - garden's, apples & cleaning driveways and Larry was also a good helper in the community.

“ I've known Larry even before we were brothers by marriage. We enjoyed attending car races and tractor pulls. Larry was always ready to help out when needed. He did a lot for my mom and dad as they grew older and were needing more help. He was just a solid, dependable guy. I will miss my brother.

“ I graduated with Larry from Davis County community high school in 1965. We had many friendly talks then, but we didn't see much of each other over the years. I'm happy to hear that he had a rewarding career and good family life. he'll be remembered.
