“ *I will always remember Uncle Lolly for his bear hugs. His hugs always told me I was loved and I was one of his girls. I know there was a grand reunion in heaven Monday around noon. There was a receiving line waiting to welcome him home. Thank you Uncle Lolly for all the examples you lived for others. I loved you a lot!*

“ I have never met Mr. Bernard but have seen a reflection of him through his son, Jeffery. Jeff lives here in Nevada with his family and has been a great friend to myself and my daughter. Jeff's father and mother obviously raised Jeff to be the wonderful human being he is. He is one of the kindest and most considerate people I have ever had the pleasure of meeting in my entire life. I have never had the pleasure of meeting Jeff's father but he must have been a remarkable man and will surely be missed by the people who knew him. I will still have my good friend Jeff and will be honored to hear more about his father through our future conversations.
