

Lawrence "Larry" Edward Wilkinson

August 11, 1954 - August 25, 2013

Lawrence "Larry" Edward Wilkinson, age 59 of Moravia, passed away Sunday, August 25, 2013, at Mercy Medical Center in Des Moines from injuries sustained in a scooter accident.

Larry was born August 11, 1954 to Robert "Bob" and Patricia (Amos) Wilkinson in Ottumwa. He married Vickie Yenger September 9, 1978, at the First Christian Church in Albia. They were blessed with nearly 35 years of marriage and two children, Tiffany and Travis.

A graduate of Ottumwa High School, Larry received an Associate of Arts degree in business from Indian Hills Community College. He worked for Iowa Southern Utilities in Ottumwa, Burlington, Washington and Centerville; was an investment advisor for Iowa Trust and Savings Bank in Centerville; and worked at Rathbun Regional Water Association as an economic development specialist. He and Vickie then owned and operated Playtime Storage in Moravia. It was established in 1996 and evolved into a storage, repair and maintenance facility. Recently, Larry was the store manager at the Rathbun Marina.

Larry was a member of the Rathbun Yacht Club where he penned a monthly column under the pseudonym "Captain Chaos" for the Wind Scoop Newsletter for several years, a founding member of the Rathbun Lighthouse Society, past

member of the Rathbun Lake Association, and former president of the Centerville Chamber of Commerce. His pride and joy were his grandchildren. When not spending time with his family, he enjoyed being outdoors sailing, camping, scuba diving, and working at the lake. He also liked helping people, traveling, and playing a daily game of cribbage with close friends. He was very talented working with his hands and worked on many projects in Papa's Nauti Shop with his grandchildren.

Larry is survived by his wife, Vickie of Moravia; two children, Chief Petty Officer Travis (fiancé, Shannon Clothier) Wilkinson of Lexington Park, MD and Tiffany (Tyler) Havard of Albia; three grandchildren, Treyton, Tommy and Tessa Havard; his mother, Patricia Wilkinson of Ottumwa; and three siblings, Kathy Loving of Ottumwa, Dennis (Diane) Wilkinson of Glendale, AZ and Jody (Dave) Aeschliman of Bloomfield. He is also survived by his best friend, David Howe of Centerville; and many nieces, nephews, in-laws, and friends.

He was preceded in death by his father, Bob; a sister Diane Wilkinson; and a brother-in-law, Gary Loving.

A Celebration of Life will be 10:30 a.m., Thursday, August 29, 2013, at Tharp Funeral Home in Albia; with Pastor Richard Grimes officiating. Burial will be in Main Station Cemetery near Rathbun Lake.

Visitation will be 2-8 p.m., Wednesday, August 28, 2013, at Tharp Funeral Home in Albia, with Larry's family present from 5-8 p.m.

Memorials may be made to Iowa Donor Network or to the family for a later donation.

“ *We are so sorry about Larry's accident and passing. Having had a similar accident a couple of years ago myself, it reinforces the fact that we must live each moment and cherish the time we have here. I have been thinking about him a lot and I'm sorry that these thoughts are late in coming but I have had more trouble coming to grips with it than I would have thought since I lose friends and patients all the time as a doctor.*

Though we didn't know Larry all that long, I always loved his directness and honesty. It was refreshing that he could leave things behind and do what he really wanted. It was also an incredibly generous act to be a donor and I know, as a transplant surgeon, what it means to the people who will be blessed by his gift. We have made a donation to the donor network in Larry's name.

Larry is someone we won't forget.

“ Dear Vickie, Tiffany, Travis, and Family, We were shocked to hear about Larry's accident and passing. So many wonderful memories of being neighbors in Centerville, roomies in Cedar Rapids, dock buddies, serving on the Chamber of Commerce together (golden horseshoe on the square), crazy trips we took to Chicago and Minneapolis in search of the perfect boat, and SAILING. Though time and distance separated us, the memories will last forever. Larry was a devoted family man, an extremely hard worker, a good friend, and generous individual that would offer assistance to anyone in need, He will be missed by many. May God be with you all, in the difficult days and months ahead.

“ I am so saddened to hear the news of Larry's passing. My mom and dad were good friends of Pat and Bob Wilkinson. When we all lived in Ottumwa, Iowa, growing up, our families would get together often at one another's homes or area parks for picnics in the summer. Back in 1978 or 1979, I was on a trip to Ocho Rios, Jamaica. My traveling companion and I were on a jitney which was bound for a river feast celebration and we started talking to another couple that boarded from a different resort. For some unknown reason, it came up in our conversation that these people were good friends of Larry's. Small world. I wished that I had shared that story with Larry. I am so very sorry for your loss. It sounds like he grew up to be a wonderful person.

“ Larry was a Great man! He hired our son Luke at PT Storage and taught him so much! Everytime we visited the lake we would always stop in the Marina store to see Larry. He always had a smile on his face and a story to share. It's so sad that GOD decided it was his time to go. I know everyone agrees. May he rest in peace and look down upon us all, as his memories live on with us. GOD BLESS.

“ Vickie - I, like everyone else, has been shocked by Larry's passing. Please accept my sincere condolences.

For me, Larry and Rathbun Lake are intertwined. Larry epitomized for me all that was good about the Lake and the "lake experience". I was quite disappointed when he sold PT Storage, because I assumed that would limit my contact with him, but delighted when he started working for Doug. I made it a point to stop in and see him every morning I was at the Lake and visit for a few minutes. I don't know if he realized that I had made this a "ritual", but it was important to me and I looked forward to it every day. I know that he had a similar impact on the lives of everyone else he connected with.

“ Larry was a good friend to many people and a very professional business man. He worked on my sail boat many times. He always worked with a smile and went about his business like a true professional. I always knew that I could count on Larry to take care of my boat as if it were his own. He was a great sailor, quick with a smile, eager to help with anything and generous with his time. He was a hard working man of his word and I appreciated him very much. I just can't believe that he left us so early. He was the kind of man many others should look at and strive to be. God bless Larry.
