“ *Dear Karen,*

News reached me of your mother's death. I wanted to send my sympathy, for Lea was a friend through our 65 years in Albia. She was a devoted member of Martha Circle as well as Bible Study. She always took her part and was responsible with many tasks that contibuted to the community. She was so devoted to her family, and keep us informed as to your many accomplishments.

“ Sorry to hear of your loss Karen. No matter how old our folks get we never seem to be ready for them to leave. We lost our Mother when she was just 67 and it still seems like I just saw her yesterday. I think of her everyday, and I hope that never stops. For me , I just close my eyes and I can see her peeling potatoes at the kitchen sink, hanging out the laundry, or hear her laughter when something really tickled her. Use your memories of her at this time, and it will help bring a smile to your face when you least expect it. Best wishes Karen.....

Sincerely

“ Karen, Bill Yohe said that he saw the notice of your mother's death, and wanted me to know. I am so sorry. While I never met your mom, I remember such great times that we had in high school. Good daughters have great moms! And I can see your smile in your mother's photo. Our prayers and sympathies are with you. Diana
PS: Bill said to pass along his condolences, also.
