“ *They say the pain of loss gets easier with time. the pain we feel now is overwhelming - we miss hearing your voice and your presence. You were the best mother & friend anyone can ever have. To know you are with dad and the pain is gone is what gets us through. Love you and miss you! Till we see each other again...*

“ Vicki and family, so sorry to read about your Mothers passing. She was always an upbeat person and had a smile on her face. She loved her family and I know you will miss her. Remember all the good times you have had and her strength thru some of the low times. Thinking of you,

“ Vicki, Scott and family,  
  
Aunt Lois was the kindest person in the world to me. She never failed to ask how I was doing and also to inquire about Mark and Maria. We always shared a laugh each time we visited. While her passing saddens me, the fact that she is no longer in pain doesn't.  
With love,  
Jodi
