“ *Lori and I have been best friends since 2nd grade. Although distance kept us from visiting face to face our phone calls weekly were a blast. Lori had a great personality with a heart of gold. Her smile could light up a room and the laughs we shared will forever be memories I cherish. She was my sister in heart and I am going to miss her terribly. My thoughts, prayers and hugs go out to Cam, Helen and Justin. Love - Rhonda Palmer Swanson*
