“ *Not sure what to say. Hadn't talked to her in so long. But she meant the world to me during a rough part of my life. I still often thought of her, how she's doing. I'll never forget her smile, her warmth, the love she showed me. My friendship her is one I have cherished the most over the years. My condolences. Steve Woodhouse*

AH

Lynn had a great smile and was a good friend to me in high school; we played on the volleyball team together. I don't ever remember Lynn having anything bad to say of anyone. She focused on the positive.
Sincere condolences,
