Lynn was a very beautiful soul. I've not seen her in a good many years but what time we spent her camping, boating and fooling around was just great memories. Lynn you will be missed by so many!

“ Lynn was a very dear person to me. Lynn and I worked together and lived together many times. We were buddies, knew everything about each other. We drifted apart after awhile but always in my thoughts. A lot of memories we made together and I will enjoy talking with her son and daughters in time. Lynn holds a special place in my heart..A wonderful lady.
