“ *My brother, Dale Wallace, and his wife spent a very enjoyable visit with Margaret just a few weeks ago. My brother lives in FL and he came up for his usual summer visit and he asked me to take him to see her. We did and she seemed to enjoy visiting with us. We will take that with us and always remember how much we enjoyed her. For you to know, Margaret's father was our Uncle. Our father was James William Wallace from Hamilton. Our thoughts a prayers are with all the family at this time.*

“ Conner Family, the Boys and I send our deepest condolences and empathy to you at this time. Any loss is unthinkable however long or short a time we have to prepare for it. Please remember the good times and all Margaret loved to do. Kelly and Kevin, do you remember playing "communion" after coming home with Grandma and Grandpa from Church? Our prayers are with you.
