“ To Aunt Faye and Margaret's Family

*Margaret was responsible for all the summer fun that I had in Albia while I stayed with our Grandma Kate. Those are memories that are special with me as the whole family made me feel like a sister not just a cousin down to visit. Aunt Faye and Uncle John were like parents for all those summers, very loving and caring. I regret that I can't be with all of you at this time, but I will try to convince Dad -91 today- to come with me. He hardly goes out of his apartment now. I will come by myself otherwise when travel permits. All my Love to you Aunt Faye and again I'm sorry that I can't be with all of you. Give your Mom a big hug for me Linda.*
