“ *Lois, I am so sorry for your loss. I didn't know your mother, but I know you and that your heart is aching. As long as she is in your heart, she will never be gone.*

“ *Grandma - A little bit mother, a whole lot friend. A wonderful and amazing woman, grandma was. She was the most incredible woman that I have ever been so lucky to know, and have as my own grandma, there wasn't another grandma that I would have picked out of all the grandmas in the world. I have felt so lucky to have her as a part of my life for so many years, and the lives of my children and my grandchildren.*

Grandma was always there, when you needed someone to talk to, when you just wanted to visit, when your heart was broken and you thought it would never mend, when you were happy and when you weren't. Every time you left grandmas, you always left with a heart full of love, and a full belly.

Incredible is the word that best describes her. Her heart was enormous, as she loved all of us, each of us individually, and there are a lot of us to love.

I don't know if there is anyone that has ever had so many talents and to do so many things with such perfection. A fantastic cook, a wonderful baker, an over the top quilt maker, there wasn't anything that I ever thought that she couldn't do.

I am so thankful that I had her in my life, and that I had the opportunity to be loved so much by such a wonderful woman.

You were a very special lady, grandma and I will miss more than words can say.

*Love you more,
Sandy*

“ My sympathies to the all of the families who have lost this very dear person. Although Margaret is related to me, I don't recall ever meeting her. Still, I felt as though I did know her as my dad (Eugene Lennie Sr.) and my aunt (May Kapka), (as well as other family members) always spoke so well of her. May she rest in peace.

“ I will never forget losing my own Mother (totally lost and you knew!) and you squeezed my hands; whispered in my ear: "Your Mother will never leave you; she is always near." Simple words to most, but they meant the world to me. Thank you Miss Margaret and your heart of GOLD! I am the so much better the person just for having known you and your kind heart..May your journey home bring you joy..Kay, Uncle Ray, George, Lee, Lois, and Judy; if I may share "Your Mother will never leave you: she is always near!" Now is your time to FLY sweetheart. God Bless!
