“ *I have so many memories as I worked with him for years We both had the same sense of humor and work planning .We waited in my car or him in his truck and walked in and out of work together. When my TV went out he said"we will go to Des Moines and get a new one and I will set it up for you" When I moved he helped put my things in storage for me. And came back the next morning (before work)he came and took my tv and bed out for me.I just loved working with him all those years. Such a smart man. I will forever Bless him and keep him in my Heart. By Mark
I was unable to come down to say goodbye as I had just had surgery on Monday. So VERY sorry for that. Prayers for all his friends and family.*

“ Mark will be remembered as a man of his word. The only memories I have of Mark are obviously of my high school years where are Mark continually raise the bar in the sport he loved of track and field. mark was always kind and gentle and always there to help. No doubt he leaves many many fond memories to his family and siblings that will be stories for years and years to come. Truly a fine man has left this world.
