“ I have many fond memories of Mark growing up. Our family farms were practically next to each other and our parents were good friends, so we spent a lot of time visiting back and forth. Mark and I were in the same class in school as well ('64 Pekin grads). Mark always wore a smile and loved to kid everyone. He was a great person and a good friend to all. My condolences and prayers go out to his entire family and host of friends. Rest in peace, Mark.
