“ First of all I am Howard's son. It took me a couple of days to figure out that the obituary I saw in the Des Moines Register of Mary Louise Casebolt was my aunt. I had a few people ask me if I was related to your mother and I said no because I only new her as "Sis". Whenever anyone talkes of you mother or father they would always say Sis and Truman. There was no mention of the family in the Des Moines paper and Dad has has been in the hospital so Mom has had her hands full or she would have called me. But then David Casebolt's step granddaughter gave me the obituary from the Albia paper and after seeing it I said why yes that is my Aunt Sis. I am very sad for the loss of your your mother and I hope all of you are doing well as can be exspected.
