“ *Your mother was very special to me...I will always remember her as my best friend's beautiful mother who was very patient with two very silly kids when we were growing up. Most of my memories of those early times playing with you always include your mother smiling and laughing in the background. She was very special.*

“ Judy, so sorry to hear about your mom's passing. Bonnie Hunt
called me with the sad news. Paul Eugene and Mary Josephine
were always very close, I think she was his favorite cousin. We
would always make a point of visiting with her when we made trips
to Albia. Paul Eugene loved Albia and all the people there. He has
been gone 5 years and I miss him every day. He was a special
husband, father and grandfather.

Please know you are in my thoughts and prayers.

“ Judy and Gary,
My thoughts and prayers are with you both at this time. Although I
never had the opportunity to meet your mom, Judy, I sure feel as if I
had! I so enjoyed hearing your stories about her and sharing a
chuckle or two at card club. What an accomplishment for her to
have lived so well for so long and how wonderful that you were able
to give her such love and support this past year or so. You will miss
her but you will also have some lovely memories to carry you
forward. God bless you both.....Kathy Shriver
