“ Jeanette and I were best friends from time we both came to Lovilia school and graduated together. She was my girl's babysitter. Prayers to her family. I wish I was not being Winter Texan when she passed but I will say prayers and think of her often.

Jeanette was one of the realest people I've ever met. She was never afraid to tell it like it is and she was usually right. I loved her so much because of her undying love my children. She was the best friends I could have asked for and the best grandmother to my kids that any parent could hope for. I loved her and will miss her so much.
