“ *I always remember spending the night with my great-grandma and playing with toys at her house. I always used to eat cheese and crackers with my cousin, Sydney at her house. No matter what us grandchildren did, grandma never got mad, even when we made a mess with the toys. I miss you, Grandma and I love you.*

“ *'Aunt' Belle was someone who always had a smile on her face and made you feel good just being around her. I have fond memories of her and I know she will be missed dearly.*
