“ *I'm sorry you lost your dad, Jane. At least hospice helped make him comfortable. My mom died in a similar way. It will be less emotional as time goes by. You will see him again someday. I wish you and your family the best. Dan Kovach*

“ *One of my fondest memories is when Morris traveled to tiny Brodhead, Wisconsin for my wedding in 1997, it meant a lot to my husband and I.*
