“ We were so sad to hear the news of Megan's passing. My daughter and I have been friends of Megan and her mom for many years. When we all lived in Ames, we had great times together going to movies, dining out and other activities.

Megan was a hoot and we enjoyed her great sense of humor and social personality. She was a hugger and would always give us a hug hello. Megan also loved holding and talking to babies. She was so excited a few years back when she had the chance to hold my daughter's baby girl. We have many great memories.

Vicki, Denny, and family, so sorry for your loss. Wishing you peace in this time of sadness.

*I remember staying with Megan when Vicki would run errands. I lived next door to them when they lived in Maryville, MO. She was a cute little girl and loved music.
