“ *You are born from beginning of your life the first person you see is your mother, and it's hard for me to believe that she's gone. She left me at 10, and now I feel horrible. I could never say good bye. I know people try to comfort me, but it never worked, and never will.*

“ My deepest sympathy to Vince, Rita and the family of Mindy. My prayers are with you all for comfort and healing. There could be no greater loss than that of one's child and I cannot imagine the pain. I remember Mindy when we were kids, full of imagination telling stories while we waited for the bus. I didn't see her much when we were grown, but she always had a smile and a kind word. May God bless the family with fond memories.

“ We thought of you with love today,
but that is nothing new.
We thought about you yesterday,
and days before that too.
We think of you in silence,
we often speak your name.
All we have are memories,
and your picture in a frame.
Your memory is our keepsake,
with which we will never part.
God has you in His keeping,
we have you in our hearts.
A million times we`ve wanted you.
A million times we cried.
If love could only have saved you,
you never would have died.
It broke our hearts to lose you.
But you didn`t go alone.
For a part of us went with you...
the day God called you Home.

With our deepest sympathy the Kent family
