Nadine was born April 1, 1930 in Washington, Iowa to Oakley and Violet (Beranak) Payne. She graduated from Washington High School in 1948. Her early working days were with the telephone company as an operator.

She married Jack D. Harris on June 20, 1953. To this union five children were born. Tony, David, Brian, Greg and Elizabeth.

Her married life was spent raising her children in north central Monroe County. She supplemented family income by giving piano lessons to young people in the area. She was a wonderful pianist and spent her free time playing the upright piano in her home.

She played for church services in Lovilia, Bussey, Omaha, NE, and at Albia Baptist Temple. She was often called upon to play for funerals and weddings. In her seventies she accompanied many junior high students for their band festivals.
