“ My heartfelt sympathy to all of Patty's family. I am so sorry to hear of Patty's passing. We were good friends in school and I have many good memories. I can picture her playing her trombone. It always looked so big and I could never imagine how she could march with it and stay in line. I was blessed to have her as a friend. I'm sure she was a very special mother.

“ I am so sorry for your loss. Your mother and your entire family have been such great neighbors for all these years. I will miss her. You were great kids and I know she was so proud of you and all you did for her. She was so happy and proud with all the work you did on her house and to have such a great family. And you were an inspiration as you all gathered round her the past few days. My heart goes out to you.

“ Donna, Lynda, and Patty's family,
I was sorry to hear the news about Patty. I have a lot of memories spending time with the Stone's growing up. They were like my second family and Mike and I were best friends. Patty was always the level headed one that kept the rest of us from getting in too much trouble when the adults weren't around.
I still remember when she first met Dale and they got married.
I know she will be missed. I will be thinking of you all.

“ *Amy, Joe, Lori and families,*

Prayers for peace for all of you as you go through the next few days, weeks, months. Aunt Pat sure was a special lady. Some of my favorite memories are when she would sing "You Are My Sunshine" with Chris when he was little, having her be the elf at Christmas and also her and mom playing Christmas songs on the piano and playing with her for a couple of the years. She was so proud of all of you and her grandchildren. She was loved and will be greatly missed.
