“ *I will always remember Trish's infectious smile and laugh. She was a good person with a big heart and great personality. She became a part of our family many years ago and touched us all in a special way. She will be missed very much, but I am sure she has added much excitement to Heaven! Your family is in my thoughts and prayers. Rest in peace Trish.*

“ I'm so sad to hear of Trish passing. I used to see her on her electric chair or scooter riding up and down the street giving a ride to a little person on her lap these passed summers. I would wave and she would smile. Trish was a beautiful person. Her family will be in my thoughts and prayers.
