“ *Dearest Cecelia,
I send my heartfelt sympathies to you and your family. My Grandmother is Bridget Agnes "Delia" Knowles...My Mother, Mary Brothers Sebastian would have visited with Patrick and John and many others back in 1947 following the death of my Father in December of 1946 I know that was sixty-six years ago but she did visit two farms: the Knowles and the Ryans. I visited Albia in my early twentys and stayed with Helen Humeston's family at the funeral home. I happened upon Patrick's death notice because I am planning a trip to Ireland in September. I "Googled" Melrose, Iowa and the cemetary...I am so glad I did.
I send love from all the Sebastian kids to all the Knowles...I am 7th of the eight.

“ May you all find peace in knowing that we all shared something quite special, growing up in a community as amazing as Melrose. Our fathers were an incredible group of men who treasured their families and understood the important things in life: family and friends. God bless each of you.
