“ *Marlene,
I was saddened to see that Paul had passed. After just losing mom and dad, I know that you are having a rough time and my deepest heartfelt sympathy is with you. I will keep you in my thoughts and prayers and be comforted to know he is not suffering and watching over you....Love to you, Jean*

“ *I was sadden to read of Paul's death. Some of my fondest childhood memories are playing with Paul and Steve at their home on S. Clinton and building forts and the like along the CB&Q right-of-way near Grant School. And in 1949 Paul and I both entered Kindergarten at Grant and in 1962 we graduated together from ACHS. He passed way too soon. Roger Grant*

“ I had the honor and pleasure of knowing and working with Paul for almost 30 years, while I was a counselor and Independent Living counselor with the public VR program. He was always looking out for his clients and vets. He always added value to the VA program and value to his colleagues and friends in the rehab community. I will miss his dry sense of humor.

“ Marlene, I wish I could have made it to the services but my boss just had hip replacement surgery and am left behind to run the restaurant. Was sorry to hear the news but find comfort knowing that he is in good Hands with Christ and with the family. Am sure they were there to welcome him with open arms. May your heart be filled with fond memories and much love.
Will always be his "LeAnnderthall".
With Love,
LEann
