“ To the Family of Paul C. Cabell,
While reading in the news paper, I can across the name of your dear loved one.
I understand the pain that this time can cause, so I wanted to take this time to express my condolence to you for the loss of your loved one. I know that a time like this is never easy to deal with. In fact it causes only grief. That's why the scriptures at (1 Corth. 15:26)-- Calls death an " Enemy" to mankind because it takes our loved ones away from us. However I wanted to share a thought with you that comforted me when I loss a family member in death. The man Job in (Job 14:14) asks" If an able-bodied man dies can he live again?". Happily Jesus answers in (John 5:28,29)-" Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life" Imagine a resurrection or a bringing back to life. And right here on earth.--(Ps.37:29)-The righteous themselves will posses the earth. And they will reside forever upon it. So our loved ones will live again! For Jesus in (John 5:28) was relaying a promise from his heavenly Father- (Jehovah-(Ps.83:18) who at (Titus 1:2) says is a " God who can not lie" Well I hope that you will be able to draw some comfort from these scriptural thoughts as I did. Now I will end by saying, may you find peace in the bible's promises and in the treasured memories of your dear loved one.

“ I am so sorry to hear of your loss. Paul and my father, John Gibbs Mahan, were very close friends growing up in Lynchburg, Virginia. I have so many memories of my father speaking so fondly of Paul. I recall that at one time they even played chess through the mail. I also have fond memories of my grandmother and Paul's mother sitting on her front porch and talking several times a week. You are in my thoughts and prayers.
