“ *To the Ryan girls.
Just wanted you to know that you are in my thoughts and prayers. I will always remember Phyllis's smile any time you ran into her. Can not believe she is gone. It is hard on all those who remain, but what a peaceful way to go.*

“ *To all the Ryan Sisters - We are so sorry to hear of Phyllis's death. We did not know anything about it till about an hour ago. We feel bad we did not make it to give you all a hug. We will keep you all in our prayers and know she will now be looking after you all, and is back together with your Mom and Dad.*
