“ While I never had the pleasure of meeting Phyllis, I can see by the lovely picture of her here, that she must have been a gracious and kind hearted woman. Also, the words you included in her obituary expressed what a wonderful mother, wife, and friend she was to everyone who knew her. May she rest in peace in God's loving arms.

Phyllis was my neighbor, my friend. I remember her and my mom would take turns calling each other for a cup a sugar or whatever each other needed. She was always so happy. She was the first person to give me hug. After my brother called to say my dad had passed. I will miss her. But I am sure she is smiling and happy where she is now.

“ I have been fortunate to know Phyllis and her husband Harold and family for more than 50 years. What a wonderful friend, mother and wife she was! She had so much love for her family and others and was such a hard worker. I always think of her with a smile on her face. We will miss her greatly, but we know she is now enjoying everlasting life in heaven. Alex Paul

“ My cousin Phyllis was eight years older than me and more like a sister than a cousin. I told her often that she was my hero. She was strong, reliable, sometimes stubborn, but always there for you when you needed her. I am grateful that I got to spend the last few hours of her life with her and I look forward to seeing her again in heaven
