“ *To the Ray Wilson Family*

I send my sympathies to you in your time of sorrow and lost. While I haven't seen Ray since graduation in 1964 he was my classmate. I remember him as being very friendly and kind.

I note with interest that his birthday was the same as mine, differing only in that I was born in 1946. I started my career in hotel management (the Williamsburg Inn in Virginia) and have worked in related hotel development work most of my life. So we had a lot more in common than just being classmates. I wish Ray and his family much peace.
