

## Rex William Hagerman

February 4, 1932 - September 3, 2016

Rex W. Hagerman, age 84, of Albia, passed away on September 3, 2016, at home under the loving courteous care of his wife Patty of 60 years, with tender giving care of hospice nurse Kendra Hiatt.

Rex loved his children Mike (Diane) Hagerman and Jane (Mike) Knowles, and most of all his grandchildren and great grandchildren.

Always remembered for never missing a ball game, cattle show or your birthday. Rex always ordered and personally delivered that birthday cake.

His life was full, watching Mecum Auto Auctions, love for horses, having coffee with his friends and a good lottery scratch ticket.

Rex's wishes were to be laid to rest privately with his immediate family. Thanks to all who have reached out in prayer and kind words of support, and understanding his wishes. We already miss him.

“ Patty, Mike, Jane and families, my heart is hurting for you. My childhood is full of memories of your home and our dad's going to car auctions. I can still hear your dad's voice, "now Janie" very calmly telling us we should stop talking and go to sleep. Please know I am thinking of you at this time and in the days and months to come. Take care. My deepest sympathies.
