“ *Danny, I just heard about Rhonda. Sorry you lost your true love. Gale and Rhonda are in heaven talking about the old days, and smiling down at us. They are now our guardian angels. They will watch over us. I know it's hard but smile that is what Rhonda would want. The pain never goes away but it gets easier day by day. I will be praying for you and your family.*

“ LaVonne, Dan and family, my thoughts and prayers go out to you along with hugs. Rhonda was such a wonderful person. Heaven has gained a beautiful bright angel. I treasure all the memories I have growing up with Rhonda. We had alot of fun and I always think of her whenever I make brownies because we would make them and never bake them! Just eat the batter! She will be greatly missed by many but shining so brightly from above!

“ Rhonda was an amazing person, I loved her dearly. I've known Rhonda since she was about 3 years old. Even as a child she was very giving and very well-behaved. I used to say she was born out of her time. Will miss seeing her around, and thinking of LaVonne, Dan and the girls and all her friends and family.
