“ *Ron and Dickie, I'm so sorry to hear about your dad's passing. He was a good man. One of my favorite HS memories is when Ron got several of us to skip out of 7th hour study hall, as sophomores, because they forgot to put us on the study hall list. We would go make Dick's deliveries to the County Home and then ride around town in Ron's ragtop convertible. I'm still not sure how we never got caught. Many other great times were had at Spencers' with your mom and dad. May God and your memories carry you through this time.*

“ Dick, Ron. and families, we were sorry to hear of Dicks passing. You are in our thoughts and prayers. I think of your mom and dad every time I walk by or drive by their house. They were both very good friends and neighbors over the years. They will both be together once again and enjoy each other.

“ My thoughts and prayers go out to the family. I remember seeing Dick cheering on the Lady Statesmen basketball team. He always had an encouraging word for everybody. He always had a smile on his face.

“ My sympathy to your family. Your Dad was our (Sam Shepard family) milkman for years. He would come in our back door and put our order in the refrigerator every delivery. I loved this! He and your Mom were also huge supporters of the Albia Girls Basketball team for many of us from 1968 - 1972. I don't think they ever missed a game and were so proud of us when we made it to state.

I just wanted you to know that so many have wonderful memories of your parents. Thank you for sharing them.
