“ We are so sorry to hear of the loss of your son. Mike Gardner told me tonight at our granddaughter's taekwondo lesson. Our son died 24 years ago and we had stillborn twin girls before that. It's just not fair that some of us have such burdens to bear, is it. You will remain in our hearts and prayers. With Deepest Sympathy, Rick and Tina McKim

“ I will remember his shy smile as he picked up Basney from school. Almost as if this big teddy bear of a guy felt like he was still the "school kid" He tried to be a rock but his heart was softer than most. Rita and Vince I simply cannot even imagine your pain and loss-- know you are in thought and prayer and that this candle, while dimmed for us, is shining brightly in another home where we will all meet again.....

“ Robbie was a dedicated leader to his troop that with co-leader Bob Parks.

Together they worked diligently to advance the boys thru the webelos rank. As a former scout, he was able to help us all as the boys advanced to get them to enjoy scouting, and to stay active. His leadership abilities with the scouts will be sadly missed. Peter Greiner
