“ *My mom was 'on her list' for daily calls and every year bought a gift of embroidered dish towels. It was a comfort to me that Sally was checking up on her.*

“ *Sally's niece, Kathryn was my best friend for years. She told me about Sally's talent for embroidery. Sally made three sets of the prettiest tea towels for me for each day of the week. Some had kitties, some had ducks, and they are all beautiful. I use them every day and think of Kathryn's beloved Aunt Sally, of whom I heard many wonderful stories. I know she was well loved, well cared for, and will be missed by her family.*
