Scott will always hold a special place in my heart! He was one of the good guys and came to my rescue more than once. He picked me up off the infield when I had to run a 400 and thought it was the end of me. Only one example of several. I will miss you Scott! Rest In Peace and watch over all of us! Prayers and hugs to Scott's family. May you find peace in the memories of Scott. He would want you to find comfort in knowing he is truly at peace.
