“ This beautiful lady has been a part of or family for as long as I can remember. Although she was not a blood relative, we loved her as such. RIP Sharon & much love to the family. I will never forget your spunky attitude & beauty! As my Mom would of said "Poor Joe" in teasing of course! Love you all.

“ I was not really close to Sharon but I do remember working in the basement of her home. I remember chasing a cat at the farm one time. The poor thing had a potato chip bag caught on its head and was running all over. Sharon you will be missed.

“ *Joe and Family,*

My heart and prayers go out to you. Sharon will be greatly missed.

I always got a good ol hug when I would run across her. Always had a good catching up visit and then we would be on our way.

May your Faith, Family, and Friends help you through this loss. She will always be as close as a whisper.

Please let me or the girls know if there is anything we can do now or in the future.
