“ Carol and family I was saddened and shocked by the news of Steves passing. I both went to school and worked with Steve at Maytag and have many memories from both school and work. We would still talk Maytag and old times and joke when we bumped into each other at the races or around town. My sympathy and prayers are with you in your time of sorrow as I know Steve will be deeply missed by his family and all who knew him Wayne Steele

“ Carol and family: Whenever you and Steve came to New York to visit Steph, you treated me like a daughter too. Steve had a great way about him always looking at the bright side and I loved his laugh. He had a great smile. My heart is so sad that Steve is gone. I know you both were lucky to have each other. When I think of him I cant help but have a big smile on my face. My prayers and with all of you. I love you all.
