“Steppin' Out with Stephen--There's Been a Jailbreak for our Beloved Stevie!”

Stevie, your "little guy's feet in a man's body" can now dance to country music once again, We'll surely miss seeing you here on earth but are glad that you'll no longer be in pain. You'll be with Mom Peg, Dad Gary, all the Grandpas and Grandmas and other loved ones who've gone ahead before you; Dance to "Blue Eyes (and brown eyes, too!) Crying in the Rain" and toast everyone with your favorite Mountain Dew! We're glad that you're now free of the physical bonds that came after your childhood illness of long ago and that you now have your own butterfly wings and can fly; Your gentle smile lives on forever in the memories of all those who knew you--with all of our love and Bear Hugs to Stevie--a very special guy!

Sip on a Mountain Dew in memory of Steve--forever young and loved very much by many!
