“ Farewell my friend,
I don't want you to go.
Your friendship was a blessing,
And I will miss you so.
Where do the years go? I met Terry and her twin sister Sherry, when we were in 6th grade. We loved doing so many things together: the usual teen things in the 60's like listening to records, hair, makeup, clothes, riding horses, talking about boys!, shopping, dances, proms, & rollerskating. The roller rink was practically our 2nd home. We were in band together, school together, shared weddings, pictures of children, grandchildren, class reunions together. We lost Sherry earlier this year. I will be lost without Terry & her twin. Such a good friends.
