“ We were very saddened to hear of Theresa's death. She represents the last of our old neighborhood. I have fond memories of playing with Linda, Bill, and Connie as we grew up in the neighborhood. She was responsible for many of my haircuts and permanents. We send of our sincerest sympathy to the entire family and know that your memories of your mother will sustain you as you adjust to your loss.

Sincerely, Linda & Phil Lospalluto

“ We are all saddened by your loss. My parents, Ken & Dorothy Roberts, don't have access to a computer so I told them I would try to communicate all our sympathies this way. They would have been there for the services except that dad had a stroke this week on the same day that your mother passed. I have wonderful memories of the "old days" at Uncle Tom and Aunt Theresa's farm when we were all just kids and of course, my mom and dad say the same thing about your folks "when they were just kids", too. Again, our thoughts and prayers are with you in your time of grief. Sincerely, The Ken Roberts Family from Keosauqua.
