“ So sorry to read of "Stub's" passing...he always had time to give you a smile and a few words! I'm very sure he did appreciate his faithful wife, Helen, even if he couldn't express himself for her love and many hours of care! They certainly shared a special bond. My thoughts and prayers are sent to Helen and all the family. I'm sorry I am still out of town for the holiday and will not be at his service, but I will be thinking of you.

“ *I remember when I was in grade school in Albia and he owned the trailer court that my folks and I lived in. He was always happy it seemed, and was a wonderful neighbor. Though my family hasnt seen or spoken to him or his wife in years we have always rememberd his kindness and generosity. Your family is in our thoughts and prayers during this difficult time.*
