“ *I want to express my sympathies on Tom's passing. I'm originally from Lovilia and was a classmate for years. We were a part of the "Lovilia Bunch" when we went on to high school in Albia. I know how hard it is to understand why but there is a reason for everything. My husband passed last year and I still miss him but also know he's better now. Have peace in knowing we will be with our loved ones again someday.*
