“ *My parents, Carrol and Rubye Brees, were good friends with Buzz and Wanda. Mom and Wanda went to high school together and remained close friends all their lives. I know the folks enjoyed many many card games with Buzz and Wanda over the years. They always had a smile and joyous greeting for us 'kids'. They were truly good people.*

“ *Buzz and wanda were special people, they were never in a hurry but always there to lend a hand if needed. I had wanda several times as a teacher at school and felt like I had to at my best behavior or it might get back to mom and dad since they were very close with buzz and wanda. I will always remember the days when we chopped silage in the fall and the dinners the wives would prepare for us while filling Wayne Clark's, Buzz's and our own silo.*
