“ *We always enjoyed seeing/visiting with Bill at toy shows--bought several toys from him, my last being a pedal tractor we drove to his house to pick-up. He ask me "do you want one put together, or in the box"?? Of course I ask "are they both the same price"? The answer was "yes"--I then said "I want one put together"--he said "I was afraid of that"!!!*

“ *My Uncle Bill was a special man. I loved being around him on his farm with Aunt Ila Mae, Jeff, Brian and Linda. He helped me with my pony then they had ponies. He was my hero and made a difference in my life. Whenever I see a John Deere tractor I think of him. Rest in peace....with my Dad and others now. Always in my heart...*
