“ *My deepest sympathy to all the family. The world lost a great loving, caring person but heaven gained a wonderful new Angel. I'll always remember Bill his laughter and teasing ways. When he was doing something the tongue was always out to the side of his mouth must be a Flahive trait as his children do it too. Bill will never be forgotten by so many people as he usually left them laughing and was a true friend and a wonderful brother-in-law. Rest in peace Bill.*

“ *There are few better legacies to leave than a loving family and a sea of loyal friends. Uncle Billy certainly had both in spades. Here's to a life well-lived. Heaven now has a new ornery angel. :)*
